*Cafe & Bar*

## CHAI TEA

A spicy black tea with the tastes of cinnamon, cardamom, cloves, ginger and a hint of pepper.

## ENGLISH BREAKFAST

This traditional breakfast blend of Assam tea leaves produces a full bodied brew with an elegant malty character. The Queen of Teas.

## CHAMOMILE TEA

Chamomile produces a deep yellow earthy infusion & provides relaxation any time of day. Ideal before sleep.

## EARL GREY BLUE FLOWER

A well-loved and classic bergamot tea decorated with cornflower blossoms. Fragrant, robust and delicious.

## FRUIT COMPOTE

The aroma is simply wonderful, the flavour is totally refreshing and the colour is gorgeous. This fruit tisane is absolutely fabulous.

## SENCHA GREEN TEA

A unique and well known style of green tea popularised in Japan. Sencha's deep green colour and distinctively fresh grassy flavour come from special steam processing during manufacture.

## TOKYO LIME

Leafy sencha packed with zesty lemon and lime flavours, decorated with chamomile flowers and rose petals.

## PEPPERMINT

Packed with minty flavour and aroma this peppermint infusion is pure and refreshing any time of day.

## MONK'S BLEND

Vanilla pieces, jasmine blossoms and earl grey combined with a mingling of green tea. A must try!

## LUNG CHING

Dragon Well tea is pan roasted and has bright green leaves that, when infused, produce a fresh aroma and soft nutty flavour with a rich full bodied taste.

## KAWAKAWA FIRE

Native New Zealand kawakawa leaf blended with lemongrass and ginger. An uplifting and warming brew.
